Go Beyond...Targeted Reductions

Businesses will find multiple benefits from the following materials:

Item	Brief Description	Cost
DEFRA Survey	Use this tool to find out your personal Planet Positive rating	Free
DEFRA Survey Analysis	Analysis of environmental attitudes across your company allows engagement plans to be tailored effectively to your employees	£250
Staff Engagement Sessions (1/2 day workshop)	A Planet Positive led workshop to help raise basic awareness, encourage staff engagement and explain an incentives system	£750

Going Beyond....Charity Investment

These items will help your business go beyond the boundary of your business and contribute to charities that make a real difference. We donate 10% of your certification fee to one of our charities, but you can always do more and increase your investment:

Item	Brief Description	Cost
